INTRODUCING NEW SHOWS FOR 2023

We hope this Programme of Events finds you all safe and well.

2022 proved a very busy year for us all. It seems that everyone was very pleased to get back to attending the many events throughout the country. Without exception, all the events that we attended last year were incredibly well attended and for the sake of everyone within the events industry we hope this trend continues in 2023.

We would like to thank all our users for their continued support of our charity. We would also like to thank our two sponsors. TGA Mobility, who have been supporting Event Mobility for many years and have helped us to establish a fine fleet of mobility scooters and wheelchairs. And the European Tour who's continued support through sponsorship is very much appreciated.

We also truly welcome the great support we receive from Vic Haines Transport.

All of us at Event Mobility look forward to seeing you at a showground, festival field, car park, somewhere, sometime this year!

With very best wishes from the **Event Mobility Team**
