END-TO-END CHALLENGE!

This summer Dr. Mark Warren, a local man and admirer of the work of the charity will begin a solo bike ride from Land's End to John o'Groats. He is aware how lucky he is to be able to enjoy good mobility and with luck and generous amounts of hard work he will pedal 1173 miles over 11 days to complete his journey.

Whilst completing his challenge **Mark would like to raise funds for Event Mobility** which helps people with limited mobility to continue to go to events and shows and enjoy the things that more mobile people take for granted.

We have set our sights high but still a realistic amount of £5,000 to raise!! We appreciate as little or as much you can donate with all proceeds going towards more scooters enabling Event Mobility to attend more events nationwide.

We are also well aware of the impact which social media can have and would greatly appreciate this worthy cause and heroic challenge be shared far and wide. Thank you.

INTRODUCING NEW SHOWS FOR 2019

The more observant amongst you may have noticed that the charity address changed last year to Racecourse Road in Pershore. This means that our entire operation (office, workshop and warehouse) is now conveniently under one roof.

TGA Mobility has continued to generously support Event Mobility through their sponsorship and acquisition of scooters as our fleet continues to grow due to the high demand for our service.

Event Mobility would like to express our thanks to all the users who supported us last year, making 2018 another fantastic year for the charity. Thanks to your generous donations we were able to invest more funds into the charity which allowed us to purchase a new trailer to attend more shows and help even more people to enjoy a day out.
